

Blue Willow Dog Coats

How to Measure for a Blue Willow Dog Coat

1. Head Circumference at the widest part. _____
2. Measure from one elbow over the top of the shoulder to the other elbow.
3. Measure from the base of the neck, between the shoulder blades down the spine to the base of the tail _____
4. Measure around the waist. If it is a male, measure at 2"-4" in the front of his privates. For females, measure where the tummy warmer will end (may not be the skinniest point). This is where the velcro closure band will be.
5. Also provide your dog's weight (specify pounds or kg) and breed
6. Measure from the base of neck, under the chest to the underbelly. (The underbelly is the belly at the same point where you measured around for the waist circumference.) _____
7. Width across chest, shoulder to shoulder above legs _____
8. Neck Circumference _____
9. Length of neck from base to behind the ears _____
